The **PHILGBC Awards on Leadership in Green Building** are designed to showcase and celebrate the achievements of movers in the building and construction industry in the country, and to highlight their green building leadership both locally and internationally.

Winners from the PHILGBC Awards on Leadership in Green Building will be the **country's representative to the 2nd World Green Building Council-Asia Pacific Networks' (WorldGBC-APN) Leadership in Green Building Awards.**

The PHILGBC Awards have two categories: Business Leadership in Sustainability Award and Leadership in Sustainability Design and Performance Award.

Finalists and winners will be announced and awarded during the **ULI-PHILGBC Awards for Excellence in Health and Sustainability** ceremony and reception on 14 July 2016 in Net Park, Bonifacio Global City.
