

Philippine Green Building Council NATIONAL CONVENTION

17-21 November 2017 | Manila, Philippines

Message from the City Mayor City Government of Mandaue

Mark the important dates this year and be present in the 2017 Philippine Green Building Council (PHILGBC) National Convention on the November 17-21, 2017.

The convention's aim will challenge all of us to broaden our perspective as it showcases an exchange of knowledge, expertise and best practices in green building that enhance and uphold sustainable environment and its community.

As committed as the frontrunner of strategic ideas on green building, PHILGBC, the City of Mandaue continues to give its full support to the Council's endeavors and eagerly looks forward to the success of this convention. We are one in aiming for the promotion of learning on the latest features of BERDE 2.0, green building trends, creating networking for stronger partnerships and enhancing leadership for the success of all the planned projects to promote greener economies.

In this fast paced era, let us welcome every opportunity to sit down and spare time to plan for the sustenance of a healthier, happier and a more productive life in a greener community.

See you all at the 2017 PHILGBC National Convention!

GABRIEL LUIS R. QUISUMBING

Mayor

Mandaue City
